

Cohasset Recreation Presents...

Summer Xtreme

***Summer Xtreme is for students entering
Grades 6th through 9th in the fall of 2019.***

Summer Xtreme is the alternative this age group has been looking for, and once they become part of the Summer Xtreme experience your middle school child will be coming back for more week after week! Middle school students are too old for the traditional town programs, but they still need to keep active, this is why we offer thrill seekers, artists, social butterflies, athletes and laid back boys and girls this remarkable option. At Summer Xtreme we keep the groups small so that we can get to know your student and ensure a once in a lifetime experience. Summer Xtreme is a very affordable way to have fun and meet new friends.

Limited enrollment — it fills up quickly.... so don't miss out on this awesome program.

- Tuesdays and Thursdays are field trip days. (unless noted)
